

The Luristan Project - Literature Review

▶ The actual review is a hodgepodge of comments in English or German, pictures and text quotes. often inserted as pictures. It is therefore in a Word format.

● [Here is the link.](#)

▶ There is a discussion of these papers in the context of our own results concerning the "[cut sword](#)" in [this link](#)

▶ The following papers are discussed. You can access them from here or from the Word document.
