

Sword of Babylon

 [You](#) are never too old to learn a new trick, indeed! The question is if you want to learn this new trick:

1. **Sword of Babylon**  

A sexual act of undefined beauty. With his ladyfriend naked on all fours, the man gripping a medium to large dildo akin to a javelin thrower, from the rear inserts the sexual accesory into either of the ladies lovezones with an oscillating stroke.

"I pulled out the old sword of babylon last night boys. She was loving it, it was just the ticket!"
