1.1.4 Organization

- The course will consist of two parts:
 - A regular lecture, lasting 90 minutes, once a week
 - Exercises, which may be held as follows:
 - As regular exercises, i.e. solving problems.
 - As a seminar, where a team of two students prepares and delivers a 45 min. lecture on a specific subject.
 - As a *mixture*, i.e. first half with regular exercises, second half with seminar.

All <u>information concerning the running term</u> (including details like schedules, grading, exams, etc.) can be found in a separate document via the link.
